**Rules and Regulations pertaining to trailer parking/camping at Deerfield Fairgrounds:**

The total number of trailer/camping sites is limited; therefore, the following rules have been instituted. Choice of sites is on a first-come, first-serve basis. Since the number of sites is limited, those not complying with these rules will be removed from the area at their own expense (no refunds will be given). No exceptions will be made.

1. Each site will be limited in size to allow a single vehicle to park in front of it. Additional vehicles shall be parked in the rear of the trailer/camper parking area away from the water/electrical hook-ups. Excess space taken up by additional vehicles in the trailer/camping parking area will be charged for an additional trailer/camper space.
2. Trailers/campers are charged from the day of arrival and placement, regardless of whether they are occupied or not. The current rates are \$30.00 per day with hookup and \$20.00 per day without hookup (including tents). No refunds will be given. Absolutely no vehicles will be used for living quarters that are not specifically designed for that purpose.
3. Trailers shall be parked vertical with each other. A clear roadway between rows shall be maintained to allow vehicles to pass safely.
4. Quiet hour begins at midnight. No unreasonable noises will be tolerated after midnight. This rule will be strictly enforced and no warning will be issued. Two or more complaints against a trailer/camper is considered sufficient to have the trailer/camper removed from the area.
5. Consumption of alcoholic beverage outside the confines of the trailer/camper WILL NOT BE ALLOWED.
6. NO DOGS ALLOWED ON FAIRGROUNDS.
7. NO OPEN FIRES ARE PERMITTED.
8. Maximum speed limit for vehicles in the trailer/camping area is 5 MPH
9. All campers are responsible for the cleanliness of their respective areas.
10. Storage vehicles, supply trucks, concession stands, etc., must be parked outside the trailer camping area or they will be charged the same rate as a trailer/camper.
11. It is the responsibility of everyone residing in the trailer/camping area to be aware of and adhere to these rules.

12. Anyone found sleeping in trucks/cars on the fairgrounds will be charged the rate of \$20.00.
13. There will be no clotheslines strung in the campground/trailer parking area.
14. All storage vehicles will be subject to inspection by the Trailer Parking Superintendent/Assistant Superintendent as to living quarters. If found to be used as such, the appropriate fee will be charged.
15. Violation of any of these rules is cause for the offender to be removed IMMEDIATELY from the trailer/camping area. If a tow truck is required to remove the offending trailer/camper, the owner is responsible for the costs incurred.
16. The Deerfield Fair Association, its officers and members assume no responsibility for any injury to persons, damage to property, or for any loss incurred while residing at the fairgrounds. Those staying within the trailer/camping area do so at their own risk.
17. All persons staying in the trailer/camping area that is over the age of twelve (12) must purchase a ticket to enter the Deerfield Fairgrounds.

**ALL CAMPERS & RV'S MUST USE BACK-FLOW VALVES ON WATER HOOK-UPS TO MAIN WATER SYSTEMS**

**STATE LAW NOW REQUIRES THAT ALL CAMPERS HAVE PORTABLE OR PERMANENT HOLDING TANKS FOR SEWERAGE OR GRAY WATER.**

**PAYMENT MUST BE INCLUDED WITH THIS FORM TO BE PROCESSED.**  
**Please NOTE the following below.**

**Notice to all Persons Camping on the Fairgrounds:**

The Board of Directors has received new regulations from the Town of Deerfield's Fire Chief, Mark Tibbetts, which in part states that campers must be spaced further apart than what we have done previously.

The proposed regulation requires a ten (10) foot fire stop, which is defined as a clear distance between and around the camping structures. To further define a clear distance, no structures of any type, i.e. picnic tables, chairs, vehicles, stock, gear or anything else is allowed in the fire stop area.

The Board of Directors is working with the Town of Deerfield's Fire Chief, Mark Tibbetts, for the conversion. He has agreed to allow a five (5) foot space between campers this year (2011); with the understanding that we may have to comply with the ten (10) foot space in 2012 and succeeding years if it becomes law.

Thank you for your understanding and cooperation in this transition.

**DOG POLICY – Annual Fair**

It is the preference of the Deerfield Fair Association that you leave your dog(s) at home during the set-up and actual conduct of the Deerfield Fair. If you must bring your dog(s) or other pets during these timeframes, it is your responsibility to ensure that they are properly cared for and do not create a nuisance to others. For safety and public health reasons, your dog(s)/pet(s) must be kept inside your camper/trailer at ALL times while the fair is in session. Walking your dog(s)/pet(s) is permitted only in the morning PRIOR to the official fair opening and in the evening after the fair is officially closed for the night. All dog(s)/pet(s) shall be kept on a leash at ALL times when outside your camper/trailer and should never be left UNATTENDED. You are responsible to clean up after your dog(s)/pet(s) while walking them on the fairgrounds during the permitted times. If dog(s)/pet(s) are seen outside your camper/trailer during set-up for the fair or while the fair is in session, or your dog(s)/pet(s) is heard in your camper/trailer making a nuisance during these timeframes, the owner/violator will be assessed a \$100.00 fine and/or may be asked to leave the fairgrounds immediately. Security will be responsible to ensure this rule/policy is adhered to, and any decisions regarding fines or removal from the fairgrounds shall be final.

**Approved Board of Directors: January 13, 2011**
